Re: United States v. Young, 21 Cr. 499 (PAE)

Dear Judge Engelmayer:

I along with John Kaley represent Frayvon Young in the above-referenced matter. I write now without opposition from the Government and Pretrial Services to request a modification to Mr. Young's bail conditions. The specific request is to remove the curfew requirement currently imposed upon Mr. Young. This will allow Mr. Young greater flexibility in working more hours at his job as those opportunities arise, often with little notice. Mr. Young continues to reside with his mother and is of great help to her financially and in the activities of daily living.

Mr. Young presently is on bail in the above-referenced matter with conditions of electronic monitoring with a curfew. Pretrial Services Officer Marlon Ovalles has advised Mr. Kaley that Mr. Young remains in compliance with no issues to report and that Mr. Young recently graduated from the Focus Forward Program. Furthermore, Officer Ovalles has informed Mr. Kaley that Pretrial consents to the removal of the curfew condition currently imposed upon Mr. Young. We have also communicated with AUSA Kedar Bhatia regarding this request. AUSA Bhatia has indicated in an email that the Government takes no position to the proposed modification to remove Mr. Young's curfew.

Thank you for the Court's consideration of this request.

Respectfully Submitted,

/s/ Lauren Di Chiara
